

# helping hearts

**Please help us  
grant 2-year-old  
James, who is  
battling cancer,  
a special wish to  
see his favorite  
musical group,  
“Wiggle Worms.”**

The Beverly Yoga Center is honored to support **Little Wish Foundation** this month by granting a very special wish for James, a 2-year-old boy, battling cancer at Lurie Children’s Hospital in Chicago.

He is currently undergoing extensive treatment for a stem-cell transplant, which also requires a lengthy stay in the hospital. His wish is to have his favorite musical group, “Wiggle Worms,” come to the hospital to perform some magical joy for him! This sponsorship is \$400, so any amount of donation toward this wish is appreciated this month!

Little Wish Foundation is a nonprofit 501(c)3 organization that was started by Liz Niemiec, at the age of 17, to support children with cancer. Liz is a dear friend of a teacher at the Beverly Yoga Center, and we are happy to support her beautiful and inspirational work.

Little Wish Foundation serves pediatric oncology patients by providing a “little wish” that brings hope, comfort and joy. These little wishes are big to the children who receive them including wishes such as a laptop, iPad, guitar, clothing, swing set, puppy, sporting event or concert tickets. These “little wishes” granted, usually in the range of \$300 to \$900, have given children with cancer happiness and sometimes a reason to get through the day.

You may make a donation online at [www.beverlyyogacenter.com](http://www.beverlyyogacenter.com). All of the funds will be pooled together and once we reach our goal of \$400 James will receive his *little wish*.

**THANK YOU from the Little Wish Foundation!**
