

MARTIER SOUND MEDITATION

Friday, May 31st | 7:00-8:30pm

A Sound Journey experience with Laura and Dan is unlike any other of its kind. Together, they bring 35 years of musical collaboration and a deep love for each other to each symphonic immersion; using voice, hang drum, gongs, crystal bowls and a vast array of sound making instruments with deft precision, professionalism and beauty.

Laura's voice has been described as "Angelic" and "otherworldly". Her improvisations and beautiful melodies melt into the crystal tones of her singing bowls and perfectly complement Dan's sensitive Hang Drum playing.
